Read. Further letter from Mr Kivans dated 19th. instant stating that the Land Registry had made the required amendment.

In accordance with notice to each Member Application of Mr Thomas Kearney S.S.O. & Rent Collector and of Mr Thomas Downey S.S.O. & Rent Collector for War Bonus according to the L. G. B. scale or in the alternative, if not entitled to the scale, ten per cent increase in poundage was considered.

Note Mr N. J. Murphy moved, Mr McBarthly seconded and it was passed unanimously:-

That the Poundage rate allowed to collectors Kearney & Downey be varied from 10 per cent to 15 per cent owing to the diminished value of money.

Sanction of L.G.B. requested

Adverting to an Order on the Minutes of the 10th June last empowering Messrs L. Murphy D.C. & the Architect to have repairs to the wall that marks the roadside boundary of the labourers plots occupied by Fay & Reynolds at Blonmore carried out; and to further proceedings of the Council on the same subject at their meeting of the 12th August in which Mr P. Maguire's tender submitted by Messrs Murphy & Architect, for the work was "not accepted" as it was doubted whether this was not a matter of road maintenance within the meaning of the Local Government Act. On the point of urgent necessity the Council was unanimous: the question was of procedure only. Notice of Motion to have the repairs done as a Public Work was then given, but the County Surveyor reported to the Quarterly meeting held to day "this wall is not a County Work". In those circumstances it was now decided at the Ordinary meeting, immediately following the Quarterly, to proceed under the Labourers Act as originally intended, and accept the tender submitted on the 12th August, subject to the sanction of the L.G.B., the cost, £15, being considered very moderate, and no better arrangement in sight.

Sanction as early as possible requested.
